

For the Judgment of the Energies of the Planetary Great Whore

I AM that I AM calling forth the judgment from out of the Living Christ, the Living Word within me, to blaze forth the Christ Truth for the release of the children of the Light from the Great Whore energies, as they awaken to the Light from this darkness that has had a hold upon this planet for eons.

I call forth the judgment and the exposure of the Great Whore manifesting as the Liar and the lie of the false 'oneness'. Let that lie be bound from all false teachers and sons and daughters of God, and all who access that lie through the Ask Real Jesus website, books and false dictations, as well as all other false teaching websites.

Let the entourage of false divine mothers of the lie of "I Oneness You", a concept outside of the oneness of God Being, and an imposter of "You," the true Oneness of I AM THAT I AM, Father-Mother God be exposed through the Light of God that never fails. Mighty Astrea encircle now, with the Legions of the Light of Truth and Victory, these Great Whore women building up the false father in the sons of God and tearing down the true feminine.

I call forth the Light and action of the violet flame to consume the cause, effect, record and memory of the Conscious You, the false oneness concepts; the Great Whore arms of a false sense of purity based on outer appearances; a wisdom that is based on self-elevation that one is above another or is the great liberator and savior of mankind; a false sense of kindness while harboring within conceit and pride; a system of appearing soft, gentle and pure as a goddess, as a false appearance with having no other motive but to attempt to

liberate one from their ignorance by bringing them a false sense of a higher wisdom that is superior to any inner or outer direction of God.

I call for the judgment of these false appearances and lies in an attempt to poison one's union with Divine Direction in an attempt to lead mankind away from their inner and outer Divine Direction, and to replace that Direction with a superior reality, which is a false reality based on human wisdom, while feeding the Conscious You adoration, in an attempt to control another. Bind now the anti-More manifesting through the Great Whore in the attempt to deny the Guru-Chela relationship by taking one out of oneness in the heart with the I AM Self and into the mind and human wisdom.

I call for the binding and the judgment of the Great Whore energies of anti-Being that attempt to use confusion, attraction, mesmerism, attention getting and sympathy, and sympathetic animal magnetism, to draw the sons of God into her lair, her dark pool of misqualified energy in order to steal their light and feed them her darkness of the "I Oneness You" false "unconditional" love, and that everyone is the same in God with no need for individuality, thus denying the sons and daughters of God their true God Self individuality.

I call for the binding and the judgment of the Great Whore energies working through any and all embodying on this planet in an attempt to draw the energies of the children of the light and the sons and daughters of God down below the heart and into the perversions of sexual energies of domination and control, and into a sticky web created through wrong desires, as well as any and all attempts to take them away from

their purity and their oneness with the Mother Light.

Let these calls be implemented and adjusted according to God's Will for the highest action possible to free every child of God on earth, as well as clear our planetary home of these Great Whore energies, and to free any and all God Beings taking on world energy from the hold the Great Whore has upon them, as they transmute the world energies and karma to balance the karma of this false oneness and anti-Divine Direction on this planet.

Let it be done this moment as a ever onward movement of the light into the Victory for this our planetary home and for the restoration of Father-Mother God within each temple of the Light on earth!
It is done!
