

For the Judgment of Anti-Being

By the authority given to me by Almighty God through I AM THAT I AM, I stand up to be counted this day as a son/daughter of God.

I claim my divine inheritance and I affirm the reality of God I AM THAT I AM, the universal You out of which all yous come as I AM.

I affirm that I am a Being I AM out of I AM THAT I AM and I AM Being all that I AM and More on Earth, and those lesser manifestations and my mortal sense of identity are unreal.

I claim my entire consciousness and being for God, and I call forth the Reality of Being I AM to illumine all aspects of my being that are not in perfect accord with my highest potential Being a co-creator with God.

I lovingly give the Conscious You, the false wisdom, the lies of the Great Whore and any and all antichrist manifestations to God and see them pass into the unfed flame of God to be consumed now and forever.

I AM THAT I AM descending into my mind, heart and being to fill every space, so that there is no room for any imperfect manifestations to enter.

I accept and affirm that my being is filled with the Love and Divine Wholeness of the Father-Mother God, and therefore I AM the Kingdom of God where I AM.

I accept that by my surrender to the Truth of Christ, the true Wisdom born out of the union of Father-Mother God within me,

I have gained the authority to call forth the judgment of Christ upon all life on Earth. I therefore call directly to the heart of Jesus Christ and his angels of judgment, the Ruby Ray angels, the angels of the Cosmic Cross of White Fire, to deliver God's judgment to all beings upon this Earth in perfect Divine Love and Vision for God's Will to manifest here below.

I call that all beings on Earth be enlightened by the angels of judgment so they can see the reality of their current state of consciousness and the reality of their Christ potential.

I recognize that ignorance stands in the way of free choice, and therefore I demand that all beings be awakened to the reality that there is an alternative to the self-destructive spiral of the Conscious You, born out of oneness with the antichrist mind and the Liar and the lie, fomented by the Great Whore consciousness.

I demand that all beings be given the opportunity to choose this day whom they will serve by knowing their options and the consequences of those options.

By the authority of the I AM THAT I AM, I demand that those beings who choose to rebel against the law and will of God be stripped of their power to influence people and drag them down into their self-created Hell on Earth.

I demand that such rebellious beings be taken from the Earth in accordance with the Will of God.

This which I call forth here, I also call forth for my loved ones, myself, and those of God trapped by the false wisdom that denies oneness with Divine Direction.

They are bound this hour with the fullness of the manifestation of God Being I AM THAT I AM through me and through all life on Earth, freeing the Earth, her people, and all life from the manifestations of hatred, anger, greed, lust, pride, envy, fear, and ignorance, as misqualifications of the emotional body, and all criticism, condemnation, judgment, resentment, revenge, and power used to manipulate and control others out of the antichrist and conscious you mind, as misqualifications of the mental body.

I proclaim the Earth is Free, God's kingdom Being is now through me. (3X)

I accept that this is done right now with the full power of the Ascended Master Jesus Christ and his legions of angels.

I affirm that:

The Earth is the Lord's and the fullness thereof (3X).

I hereby affirm that I accept as real only the Reality of God Being I AM THAT I AM in myself, in all whom I meet, in my society and on planet Earth.

All lesser manifestations are unreal and I affirm that they have no power in the light of Being I AM.

By the full authority of I AM THAT I AM within me, I hereby claim planet Earth for God, for the Ascended Host.

Therefore, I accept and affirm that God's Kingdom in Being Father-Mother God here below, is manifest on Earth, now and forever.

Amen.
